Dedicated To  
MRS. SYLVIA SHELTON GROGAN

Because you have . . .

A winning smile

A natural sweetness of disposition

A quick sympathy

A faculty to see to the very heart of things

A quality of worthiness of the confidence intrusted in you

An assuring manner equal to that of a sunbeam on a winter day

For these, we, The Senior Class of 1963, dedicate our CARILLON  
to you

## Foreword

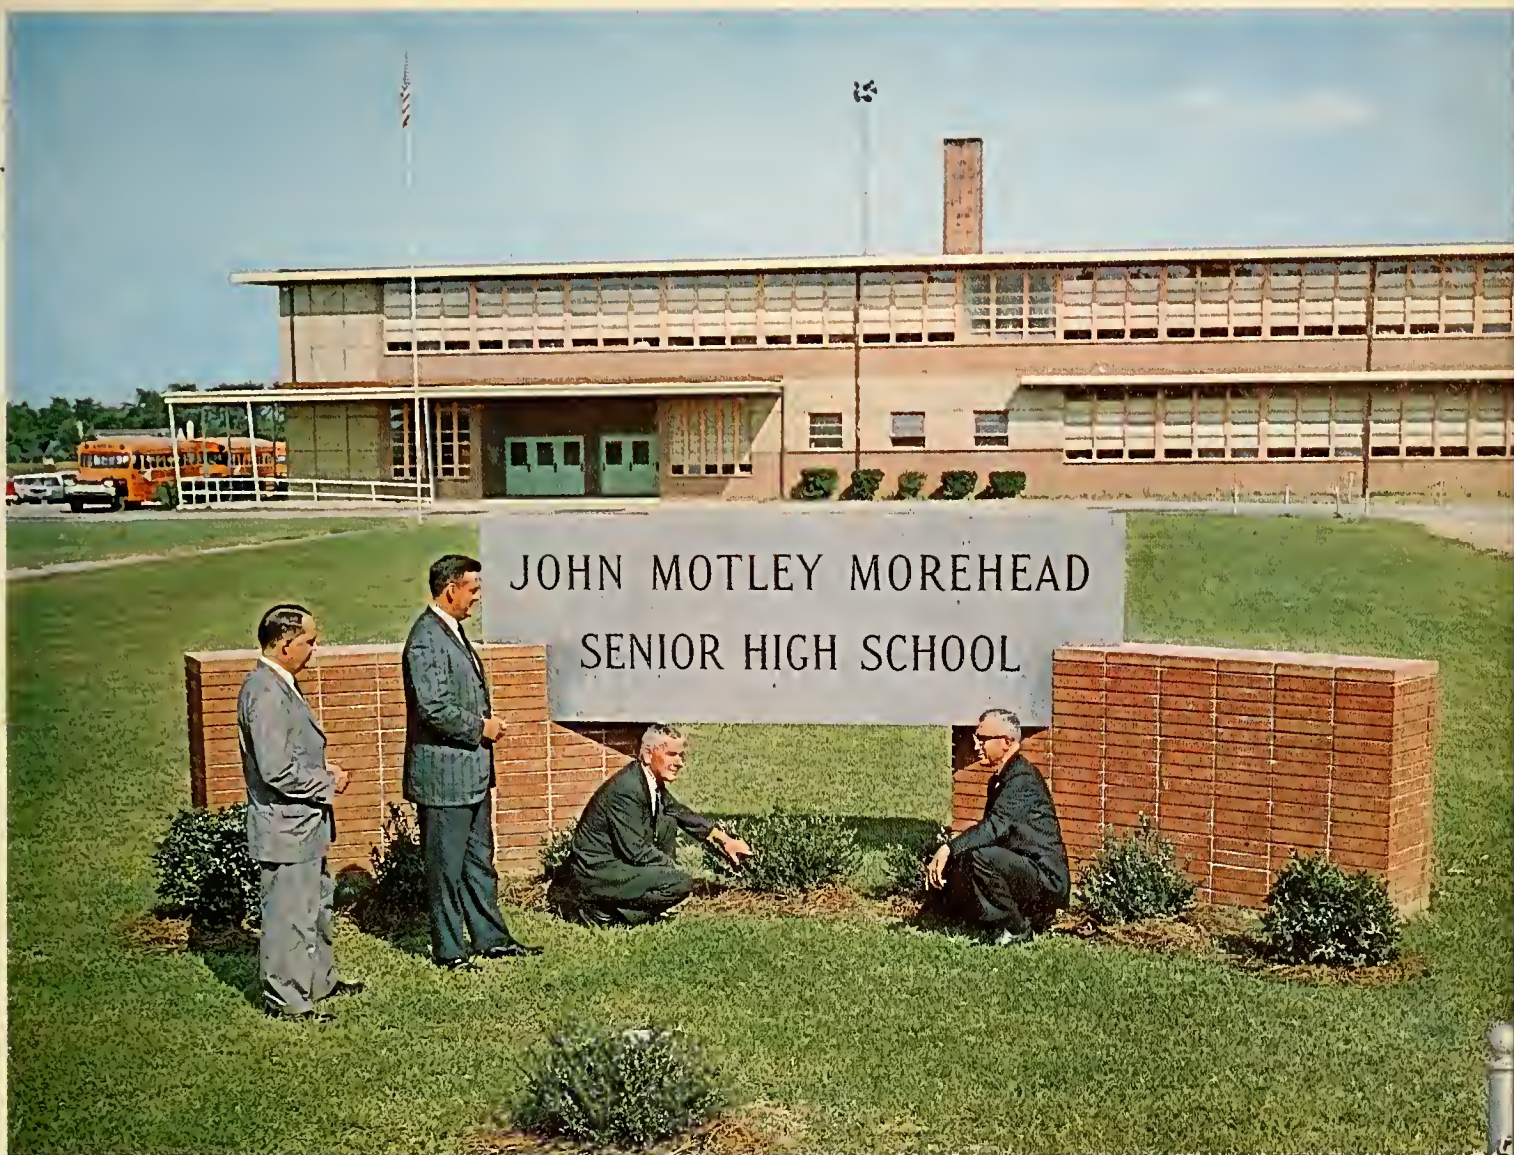

With unrelenting crescendo, the symphony of our high school life replete with melodic progression hastens to its finals. Each of us needs in his heart's treasury the memory of this career, to renew fellowship and to give strength. We hope pages of this book will become flesh that will dwell among you—and, indeed strengthen you to use knowledge, truth, and friendship to higher levels of achievement.

The uncertainty and vagueness of the nuclear threat has set this year apart from the ordinary dangers and hazards of everyday life. We have, therefore, chosen as the underlying theme of our 1963 Carillon—*The Future*.

We, the annual staff, have endeavored to capture the aspirations of our student body, enriched by some phrases and pictures of lasting truth and beauty. Perhaps, in years to come you will be able to discover afresh, from these pages, that experience gained from actual life is the nature of wisdom.

## administration . . .

O pening the expansive doors to the future for eager students requires competent leadership with ingredients of patience and endurance. Each member of the administrative unit has been trained in a special way to fill a particular niche in the educational work.

The key man unlocking the doors to good organization is Mr. John M. Hough, the superintendent. Working diligently, he and the school board seek to maintain and to improve the educational center for all students. Mr. Wendell Newlin, the principal of John Motley Morehead High School, shows a genuine interest in each individual who passes through his doorway. Across his desk come words of encouragement, understanding, and concern.

Teachers and counselors set the brisk pace in the vast field of learning. They must be seekers after truth, inquirers of knowledge and adepts in the finest of all arts. Rooms are pervaded with an invigorating atmosphere of mental development; thus, students become more intelligent, more thoughtful, and more courageous.

It is only through hard labor and constant effort and by grim energy and resolute courage that each member of the administrative staff has aided in the building of the great institution of learning.

Miss Blanche Norman, principal of Burton Grove School, shows new books to four of the School Board members at Open House. They are Messrs. Warren Wilson, Clinton Frank, Bill Goldston, and Welsford Bishopric.

*Top:* Although Dr. Clark has a busy practice, he finds time to work for the good of the public schools.

*Bottom:* Mr. Dallas Gywnn has served on the Board in the past, having fulfilled his term in December.

Mr. John Hough, superintendent of Leaksville Township Schools, checks his schedule before making a commitment. Mr. Hough is always in demand to discuss his progressive plans for our school system.

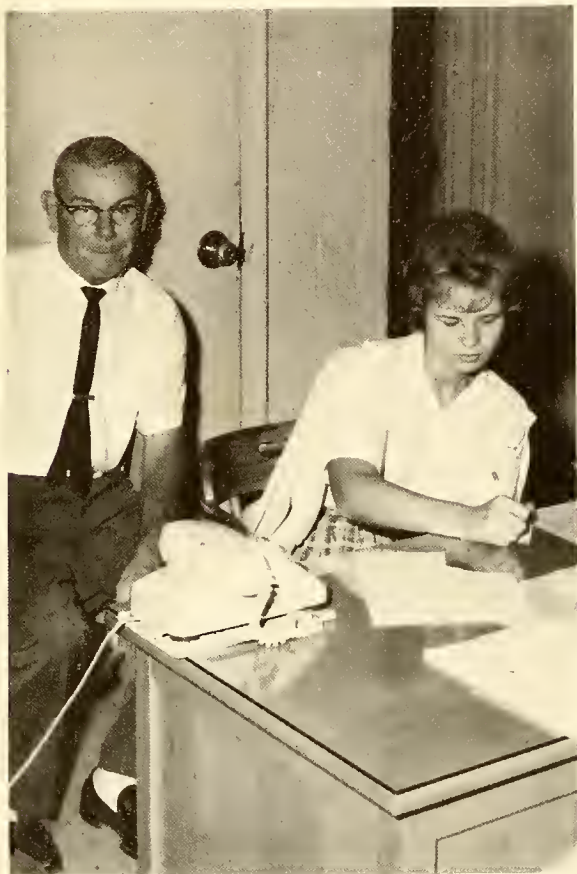

Mr. R. I. Smith and Mr. Zell Ford share a light moment, but both gentlemen take their school board positions seriously. They have repeatedly demonstrated their interest in the schools through years of service on the board.

Mr. Russell Byrd and Superintendent Hough work closely in formulating policies for the school system.

Mr. Hough dictates a news letter to his Girl Friday, Julia Carroll.

—Presenting the many faces of our principal, Mr. Newlin, we look in on a few of his school moments—He is at once grave with the burden of his duties but gentle in dealing with his charges, wise in making decisions but patient in helping discipline problems, stern in his demands of us but quixotic in his aspirations for all young people. All of his characteristics are tempered with his robust good nature, his ready sense of humor, and his love for all people.

MRS. SARAH G. DININNY

*"She is a person whom I always recall with pleasure"*

Woman's College of  
University of North Carolina

Mrs. Dininny came out of retirement to teach until Thanksgiving this year. She is always welcome at Morehead because she is such an excellent teacher. Students stand in awe of her wisdom. When asked in years to come which teacher is most outstanding in your memory, you will surely say without hesitation, "Mrs. Dininny." Words are inadequate for this truly admirable woman.

MR. WILLIAM C. CHURCH

*"He made a most delightful impression"*

Appalachian State Teachers College

## Good order is the foundation of all good things - Burke

James has become an institution at Morehead. Not only does he carry out his several duties in a capable manner but he also lends a friendly air to the halls, greeting students and faculty in his gracious manner. He is the important man behind the scenes, and he has a genuine interest in our school.

Edward is a junior at Morehead, being in his second year as custodian. We hope, however, that he will not graduate next year for he, too, is important in keeping the wheels turning to insure that we have heat, hot water, lights that burn, and clocks that tick.

**organizations . . .**

Organizations play a vital role in the lives of the students at Morehead High School. All students have an opportunity to join the clubs which interest them. The Future Teachers and Future Homemakers learn to prepare themselves for both a profession and home life. A particular interest in subject matter is stressed by both the Math Club and Science Club. A keen interest in acting, debating, and reading is shown by members of the Drama Club, Morehead Forensic Society, and Aesthetes Club. Excellent leadership ability and good academic achievement are essential qualities for the members of the Student Council. These members, elected by the students, work closely with the faculty to voice student opinions and to maintain an efficient student government. The other service organization at Morehead High School is the Junior Jaycees which has recently been formed. The National Honor Society membership is based on achievement, but, at the same time, counts all phases of the individual's personality as important.

All these organizations give us students an outlet for self expression and leadership growth. We learn by sharing ideas through programs and various activities. With the able guidance of teachers as sponsors, we enlarge our knowledge of subjects and develop the responsibility of leadership and service.

Mr. Biggerstaff is superbly equipped to serve as advisor to the Aesthetes. Coupled with his interest in students in general, he has the ability to single out the especially talented in speaking and writing and to develop these often untapped resources. He is pictured at left browsing through the books which the Aesthetes sell. Many books of current interest are studied by the literary club.

Music appreciation, too, is an integral part of the Aesthetes' aims to enrich their lives. Jane Kirby plays as some of the members sing. Doubtlessly, the layman could appreciate the choral group!

Under the direction of Mr. Duane Best, the Glee Club and the Girls Chorus are vitally important parts of the curriculum of our school. Although he is relatively new to the teaching profession, Mr. Best brings a new enthusiasm to the art of teaching music. He is a fine director, and Morehead is indeed fortunate to have this skilled musician. He is rapidly gaining recognition throughout the state, having recently been elected first vice president of the State Choral Society.

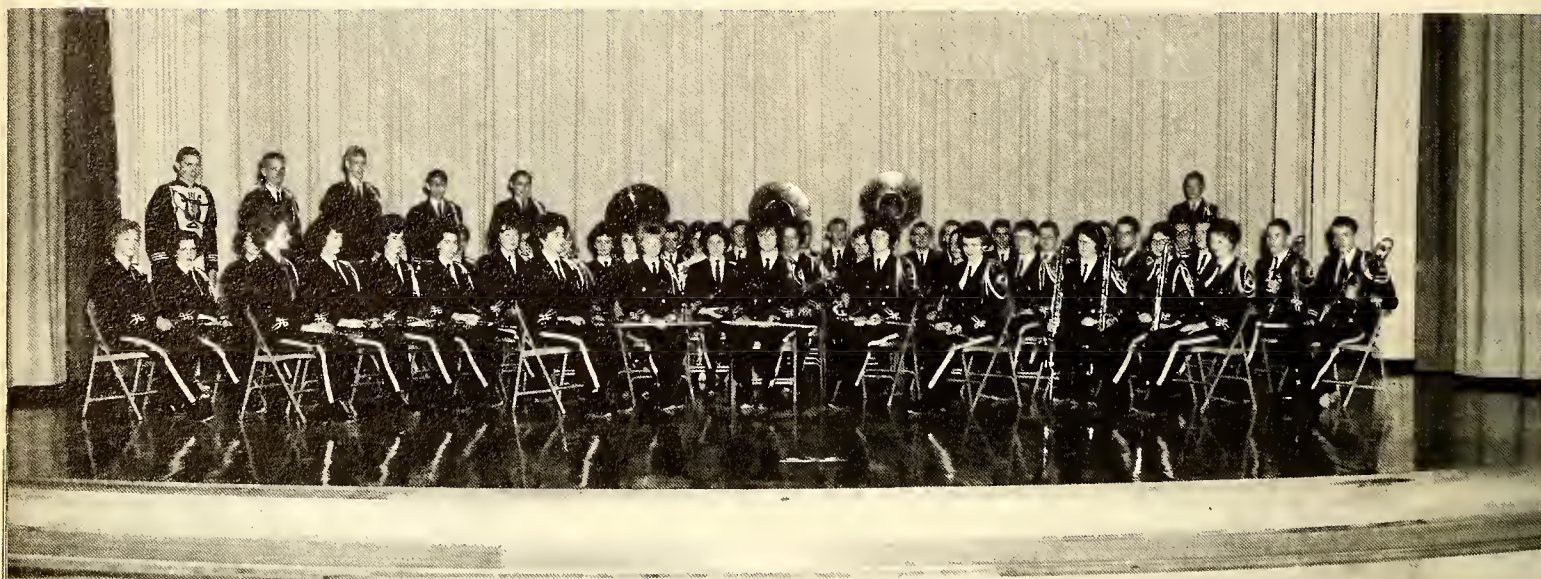

Pianist for the Glee Club is the talented Diana Banks.

The Glee Club performs on important occasions at school, makes guest appearances at civic organizations, and joins the band in presenting the Spring Concert, an eagerly anticipated production.

Although band is about 90% hard work and 10% performance, all frustration and worry seem to melt away as the director raises his baton and music begins.

The average person sometimes takes the band for granted, but take it away and then is an emptiness that can be filled only by the zest of the musicians and their ability to bring forth melodious harmony.

This learned group is the Math Club. Diana Banks looks like a girl with an angle.

The Math Club, a nationally affiliated organization, is new to Morehead this year. Membership is open to juniors and seniors in their fifth semester of math. The members act as tutors to students who need help in this field. They meet at school on alternate Mondays to discuss problems that have stumped the experts during the week or to hear a speaker. The officers are Tommy Murphy, *president*; Jimmy Law, *vice president*; Anne Thomas, *secretary*; and Jimmy Ivie, *treasurer*.

The Future Teachers of America is a nationally affiliated club composed of students who intend to enter the teaching profession. Through membership in this organization they learn more about the profession and actually get experience in the classroom. Many of the group are assistants to teachers and help by checking papers, serving as lab assistants or tutors to students who need special help. Led by Mrs. Ferguson and Miss Holt, this group has many worthwhile projects. In the spring they visit a college and observe classes in their special fields of interest, they sponsor College Day, and they have a tea for the faculty and keep their classes while they attend. The money-making project of the Future Teachers is the stationery sale.

As we project our thoughts into the tomorrows, all the yesterdays must be accounted for. We are the products of our experiences; tomorrow is the result of today. Will there ever be a day as exciting as this; will any moment be as warm as now? But another day falls upon today, and moments tick on, and we remember.

Crisp fall days full of battling players and cheering spectators tumble into somber winter, warmed and excited by dances, holidays, and a feeling of oneness. How quickly passes a semester packed with football and basketball games, Homecoming, and the Junior Dance.

Imitating her sister seasons, spring bursts with renewed spirit as the competitive urge takes form in the annual Science Fair, the district debates and the Senior Play. Spring marks a finale for graduating seniors as another school year culminates in a blur of joy and regret. But for those who will return, the past serves now as moments reminiscent of things to come.

Sophomore waitresses are selected by the steering committee for the Junior-Senior. Last years milk maids were Nancy Morgan, Marcia Winn, Joyce Mitchell, Nancy Hall, Martha Ann Robertson, Ellen Marlowe, Alice Kirkpatrick, Diana Banks, and Janet Johnson.

The Junior-Senior is a beautiful lingering memory in the hearts of Morehead students. For many years to come we'll look through the program and read autographs, we'll dance in our mind's eye under a sky of crepe paper, we'll relive the hectic and happy moments of preparation; and, whatever the theme, we'll remember it as an "enchanted evening."

## Hard work is rewarded by a successful Homecoming!

Homecoming is a series of exciting events—a parade through the Tri-Cities featuring cars from each homeroom, the game with its half-time show and the presentation of the nominees for Homecoming Queen and the crowning of the queen, and a dance culminating a glorious evening. Reigning over the festivities and creating much speculation are the girls who are selected by the senior class as nominees for queen. At left is the 1962-63 court, Karen Mize, Lynda Farabee, and Susan Tiller surrounding queen Pat Yount.

At the dance, Mr. and Mrs. Arthur Murray demonstrated all the latest steps from the slop to the twist. How did the "civil bop" get in?

## Morehead wins first game of season!

Superintendent John Hough crowns Pat Yount who was so excited she could hardly stand still to receive the crown.

athletics . . .

One of the integral parts of extra-curricular activities at any school is Interscholastic Athletics. Throughout the years, Morehead has participated in the following sports: football, basketball, baseball, and more recently, track. Not only have we participated, but we have brought great honor to our school by winning state championships in football and basketball and have won numerous conference titles in the same sports.

Our physical facilities for conducting an athletic program are inferior to none. We have a stadium and field house which are the envy of any school in the state. We have a spacious gymnasium, adequate practice fields and an excellent baseball diamond. In addition, our teams are furnished with the best equipment that money can buy. We feel fortunate in having a coaching staff consisting of J. C. Honeycutt, Hugh Citty, Carroll Rabon, Bill Church, Bob Wilkes, and Mott Price who have distinguished themselves in the coaching profession as well as in the classroom.

As participants, we gain from athletics many values which can be used in later life. Athletics teach us the proper care that is needed for superior physical condition and proper care of our bodies. They teach us teamwork which is essential if we are to succeed. And with teamwork comes credit not only to our athletic program but also to our school.

For our student body, Athletics provide us with many pleasant memories, the thrill and excitement of winning and the sadness and despair of losing. They enable us to develop sportsmanship and school spirit, and have made us proud to be a supporter or fan of the Morehead Black Panthers.

Yes, Athletics are a must in our overall education. We will continue to be proud of our teams, win or lose, and to look with pride and great anticipation toward future teams at Morehead High School.

## Morehead Black Panthers - Men broad-brained

Morehead's Black Panthers suffered a crushing blow to their morale on the night of the opening game. Traveling to Madison with perhaps a little too much confidence, the boys in black and white were caught by surprise when a Falcon jaunted 70 yards to score the first touchdown. Even with a rock-hard defense (upper left) and Bill Martin's kicking and running (lower left), the Panthers just couldn't get rolling. They did manage one score but failed to get the extra point. This handed Morehead a 3-A conference defeat.

Over 3,000 fans saw a much improved team go down for their second straight defeat during Morehead's first home game. The Martinsville Bulldogs found the Panther's line almost impenetrable but the end was a different story. With wide plays piling up yardage, the Bulldogs overcame the Panthers with a 14-6 defeat. Martin, rated as a tiger on both offense and defense, is shown being brought down in the upper right picture, after a ground gaining play. Because of their outstanding actions, Lonnie Clark and Bill Martin were chosen top players for the week.

## and broad-shouldered for the task!

The night of September 21 brought the morale of Morehead to a new low. Lead by 13-0, the Panthers started the second half with fire in their eyes and the drive to match it. After a series of ground-gaining plays which took them to the Eagles one-yard line, they were finally stopped. East Forsyth, which later proved to be one of the top 3-A teams in the state, trounced Morehead to a 27-0 defeat.

The Reidsville Lions, a long-standing rival of Morehead, truly came out for a revenge match for the Panther's fourth game. The boys in black and white did not even get started. Before everyone had become settled, the third play found a Golden Lion running 58 yards for a touchdown and the turning point of the game which ended 33-0 (upper left). "Remember boys, it's just a friendly game." But from the look on Coach Honeycutt's face (upper right), the game must have been anything but friendly.

## "Self conquest is the greatest of victories" - Plato

Morehead Panthers cheered on by students and alumni fought through rain and mud (left) to bring Morehead its first victory of the season. The Panthers lead 7-0 in the first half, urged onward by the vivid excitement of the homecoming fans. With energy to spare, they left the field for the half-time activities only to return with even more enthusiasm to hurl Morehead on to a 20-0 victory over Southern Alamance with two electrifying dashes to touchdowns. The Southern Alamance team met with an air-tight defense and hard playing on Morehead's part.

Because of their outstanding performance in the Southern Alamance game, Roy Campbell and Mike Dineen were chosen as players of the week. Their efforts helped immensely in the exciting victory.

The Panthers played to the bitter end against the Whippets of Bessemer, on October 12. The Whippets set up a rock-hard defense which the Panthers were unable

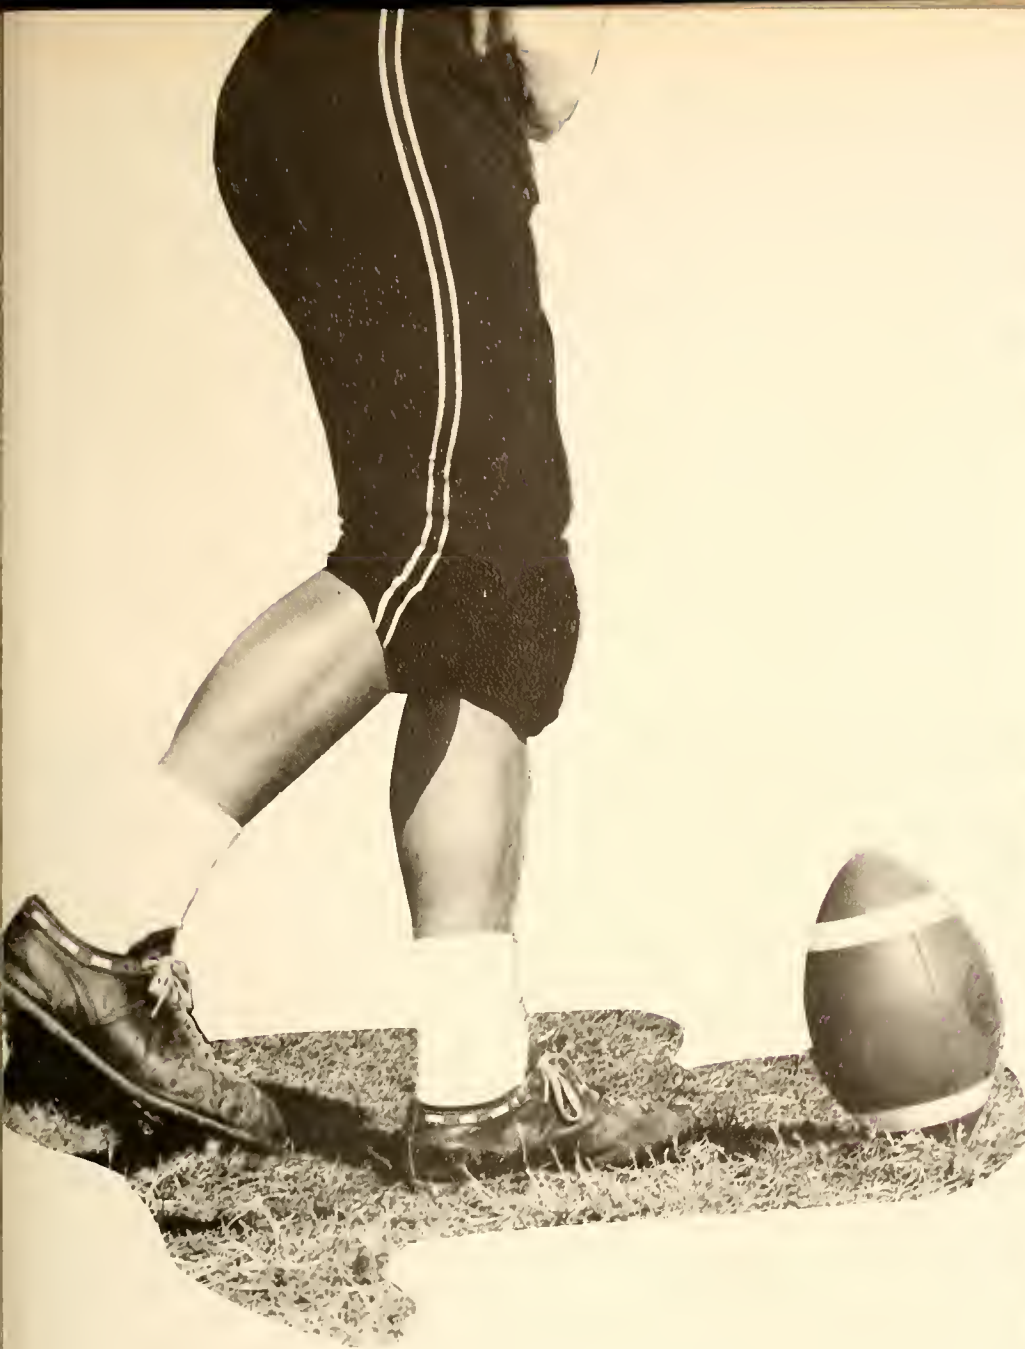

to penetrate. The Panthers played well, but were defenseless against Bessemer's charging line. The second quarter brought new hope as the Panthers came back with a drive of their own and began to gain ground only to have a fumble regained by the Whippets. Although the Panthers lost 13-0, they fought a hardy, robust game.

Jimmy Griffin and Jerry Hopkins were chosen players of the week after their combined efforts in the Panther-Bessemer game.

In the center picture, one of the fine senior players, quarterback Jimmy Burnette, prepares for one of his well-known passes.

## For a bright manhood, there is no

October 19th brought new hope for the Panthers as they played their way to victory over the Mount Airy Granite Bears. The two teams had the same record and began an offensive battle. In the first half the Bears recovered a Panther fumble and darted down the field. The Panthers, determined not to be? triumphed, came back with a 58-yard run for their first touchdown (upper left) and by the end of the first half the Panthers were leading 14-7.

The second half brought more touchdowns for the Panthers, bringing them to a 27-7 victory and the end of a conference schedule with a 2 and 3 conference mark.

Roy Mitchell and Don Bateman were selected for their outstanding performance in the Mount Airy victory game.

In the upper right picture, the excellent Morehead co-captains, Lonnie Clark and Jimmy Griffin, look toward future games with hopes of victory.

Tony Tilley (lower left), Bill Martin (lower center) and Pete Simpson (lower right), three of our senior players have been extremely beneficial in the Morehead lineup throughout the '62 season. Their efforts were respected by all players and students alike.

The game against the Northwest Falcons on October 26 brought disappointment to the Morehead fans. The team out-played the Falcons except for two mistakes which cost them the game. The Falcons' running attack was difficult to stop as they pushed forward to a 12-7 victory over the Panthers of Morehead. It was Jim Griffin who brought the Panther's ball to the 9-yard line to bring a touchdown by Bill Martin.

After the exciting game, it was Bill Martin and Al Cox who were chosen players of the week for their fine performance in the game.

Although the Panthers lost by a score of 14-6, they played a fine game. Throughout the action-packed contest, the players showed a remarkable improvement in both team play and team spirit. The Panthers were able to stay in the game until the latter part of the fourth quarter when the Hounds scored on a 68-yard drive.

Morehead's Black Panthers ended their 1962 football season with a 12-6 victory over the Drewry Mason squad. The game was full of penalties made by both teams, but Morehead came out on top in this division.

The Panthers made touchdown number one in the first quarter when Roy Campbell made a fast 18-yard run. Martin took the second half kickoff and ran 77 yards for Morehead's next score in the game.

The Drewry Mason Spartans remained scoreless until the fourth quarter when they received a Morehead punt and went over for their first and only score of the ball game.

Joyce Cannaday claps out Morehead. She couldn't be prouder to represent her school and to lead the fans in rollicking yells to spur the boys on to victory.

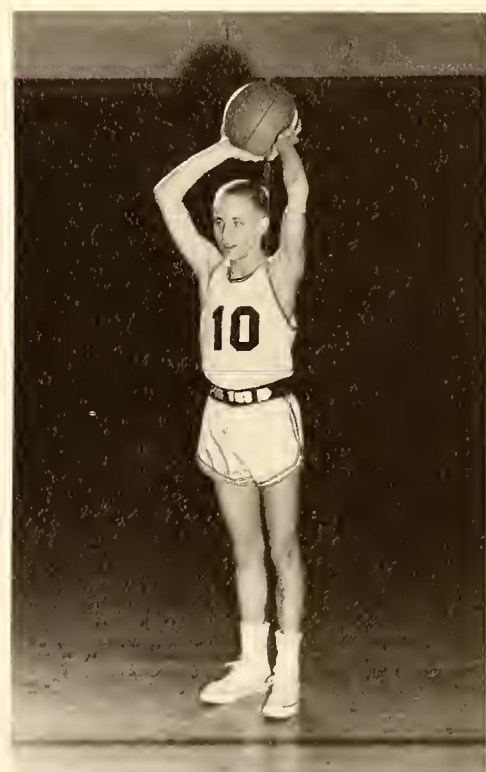

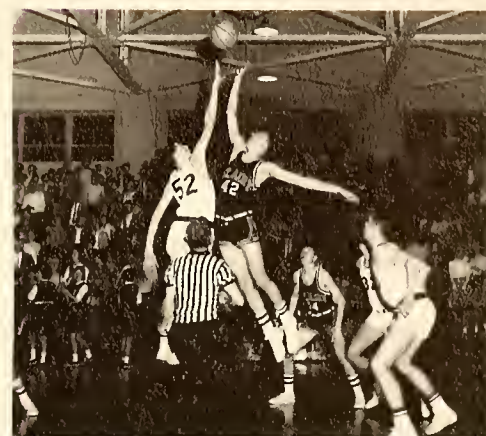

Coach Hugh Citty, during pre-season practice, was reluctant to predict what his team would do. However, with three starting seniors, averaging six feet three inches, on the squad, high hopes were well founded. Thanks to a fine coaching staff, good resources, and plain hard work, these hopes are coming true. Nine of these players, seniors, are pictured as follows: Bryan Winn, Billy Duckett, Tommy Murphy, Wayne Hall, Wade Rorrer, Jimmy Law, Dwight Manuel, Tony Tilly, and Freddie Hicks. The remaining part of the squad includes the following juniors: Coy Gibson, Barry Tuttle, Eddie Newman, Guy Jones, and Tommy Davis.

December 11, found Morehead's Black Panthers beginning their season with a good start. Curry went down a 43-20 defeat, giving the Panthers confidence for the many games to come. However, the confidence was a bit premature. East Alamance gave us our first loss of the young season, 52-46. The game was a tough one for the Panthers to lose, but the best of teams profit from their mistakes.

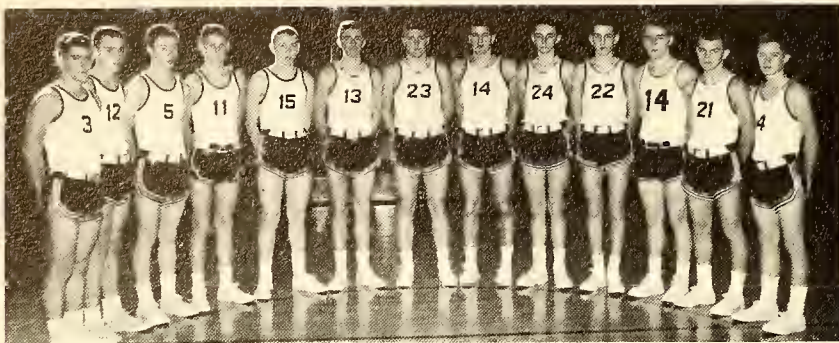

On December 18, the Panthers on their home court with Wentworth, demonstrated their power to disregard previous disappointments and come back with a fine ball game. With the passing of the holidays, the inactivity of the team showed up in their next game with Northwest. The highly rated Falcons took advantage of one of our off games to topple the Panthers 51-40. During the fourth quarter, utilizing a zone press, Morehead pulled to within three points of the rapidly becoming rattled Falcons. Nevertheless, Morehead's burst of energy wasn't sufficient to upset Northwest.

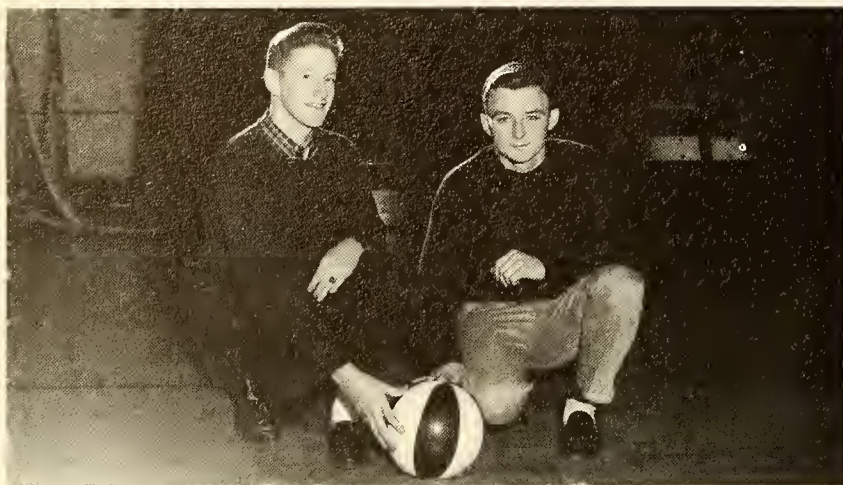

The next three games gave the fans exciting entertainment and gave Morehead the honor of crushing three records. The Panthers beat the Bessemer Whippets on their own court, a record unbroken for two years. They stopped the ten game winning streak of Eastern Alamance and put a halt to the record of Mount Airy's Granite Bears — they had not been beaten in a regular season game for over three and a half years. As if this were not enough, the Panther's showed the outstanding average of almost 60 per cent from the floor for these three exciting games. If this fine record is upheld, we should certainly go far.

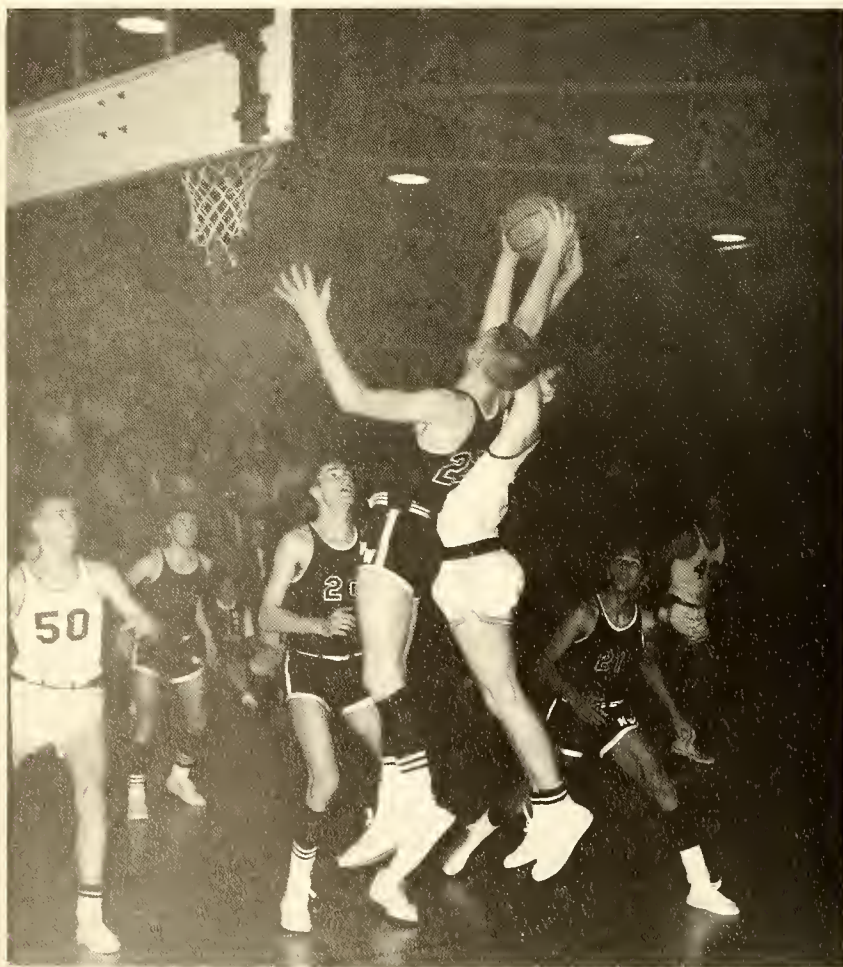

The Junior Varsity squad, (pictured left), has established a good mid-season record. In spite of their comparatively small stature, they have given most of their opponents a battle to the finish. Coached by Bill Church, the team promises to develop into a winning varsity squad of the future.

**I Came;**

Sherman Holt and "Squeaky" Young, (pictured at left, opposite page) have proved to be an invaluable assistance to the coaches this year. Sherman and Philip, old hands at this, seem to enjoy all the hard work. These two managers certainly deserve a note of thanks!

In the action shots below, Morehead's Panthers demonstrate offensive and defensive play at its best. Lots of stamina and agility are basic requirements for one who does well in basketball. Our boys certainly demonstrate these qualities well.

Although it is only mid season, the coaching staff, the team, and the spectators are looking forward to a victorious future.

## I Saw; I Conquered!

Our basketball team has made great progress coming from last place at the end of last year to being tied for top honors in the conference. Along the way, the Panthers showed us some thrilling games. In the Reidsville game the Panthers gained revenge for slight margin by which Reidsville gained their victory on the Lion's home court.

## "The public wishes itself to be

These spirited girls have an important job at Morehead. It falls to them to promote good spirit, win or lose, in and out of football and basketball season. They are traditionally admired by the other students because they give unselfishly of their time, energy, talents—and of themselves. Because of the stern demands on their time, they must have a high scholastic average in order to be eligible for the cheering squad. They have to be able to manufacture time to do the many tasks to which they are assigned, and to do them uncomplainingly. In spite of the work, they always consider their position an honor, because they are being allowed to serve the school and, at the same time, to represent it as ladies and as loyal Morehead fans.

classes . . .

Mixed emotions prevailed as the school year 1962-1963 began at Morehead High School. Many students felt that the summer had slipped by too quickly; others rejoiced as they renewed friendships; some carried books with an added sense of pride and determination for the challenging year ahead.

Obviously the main topic of conversation concerned the Sophomore Class. A state of chaos reigned as the upperclassmen watched the bewildered, yet eager, sophomores find their place in the senior high school. As the year progressed, the confusion disappeared and in its place came understanding. Mingled with the inquisitive atmosphere of the Sophomore Class was the apparent hustle of the Junior Class. The year held much for these members—rings, prom, and the pride of soon becoming a senior. Such a goal had been achieved by the Senior Class whose members walked the halls with dignity. At last the seniors had come to realize that Commencement was only the beginning of a wonderful life. Years at Morehead High School had been filled with abundant opportunities for academic growth. The future now extends before all classes with a beckoning call for additional learning.

## Senior Class Officers

Only a few short years ago we stepped into the unforgettable realm of Morehead High. In those years we grew from inexperienced sophomores into confident high-school seniors. But now with our feet on the threshold of the future and our eyes scanning a vast new world of independence, we cannot help feeling that we each left a part of our lives within the walls of our dear Alma Mater. We shall never erase from our memories the candy sales, Junior-Senior trip, Senior dance, and last but by no means least, the most eventful day of our lives, GRADUATION!!

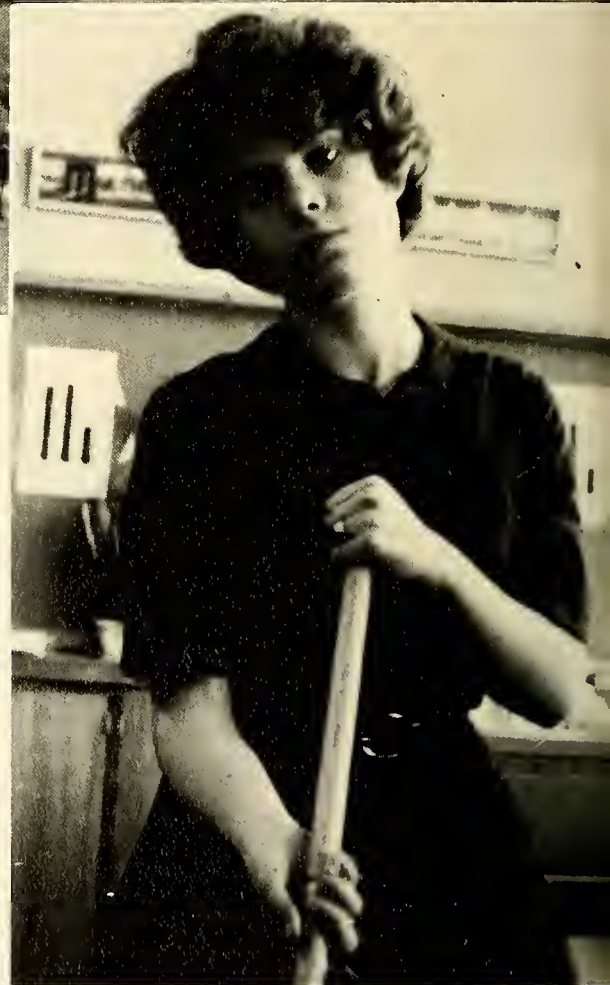

Senior class officers (left to right): President, Wayne Hall; vice president, Betty Ivie; recording secretary, Susan Tiller; corresponding secretary, Jane Tulloch; treasurer, Bryan Winn.

Etched in our memories forever . . . John Motley Morehead High School.

"I ask you, shouldn't I be paid for this?"

Well, Mr. Nassar, did we make enough to get to Lynrock for half a day?

Optimistic for tomorrow . . .

"Let's see . . . fifty cents from a dollar is uh . . ."

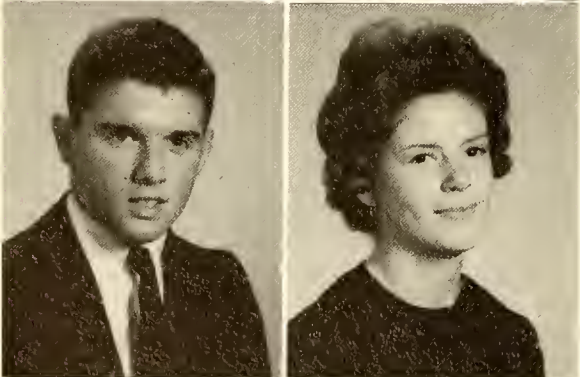

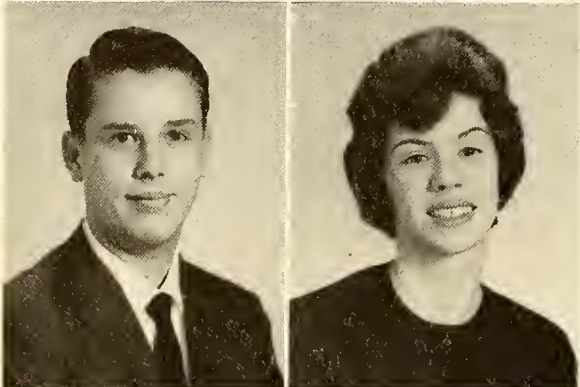

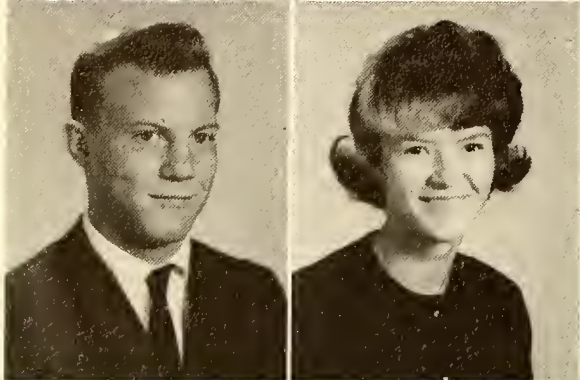

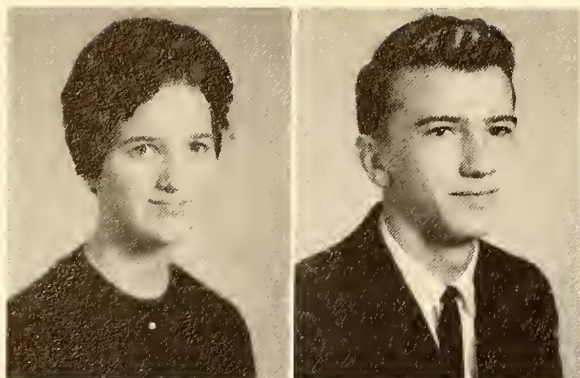

"Good night! That guy must have got his license at Sears and Roebuck!"

With the most angelic patience . . .

Juniors, under the supervision of Mrs. Julia Ivie, entered their most hectic year at Morehead High School. It was filled with a tremendous amount of hard work, for the juniors not only carried out the magazine sales, but also were entirely responsible for the execution of the Junior-Senior Dance. Although the material rewards were few, the vast accumulation of new experiences was priceless. But the greatest advantage of being a junior came the day that the class rings arrived.

Junior-class officers are from left to right: *President*, Roy Mitchell; *vice president*, Frank Sutliff; *secretary*, Joyce Mitchell; and *treasurer*, John MacIsaac.

## Junior Class Officers

"Where are those books, boy?"

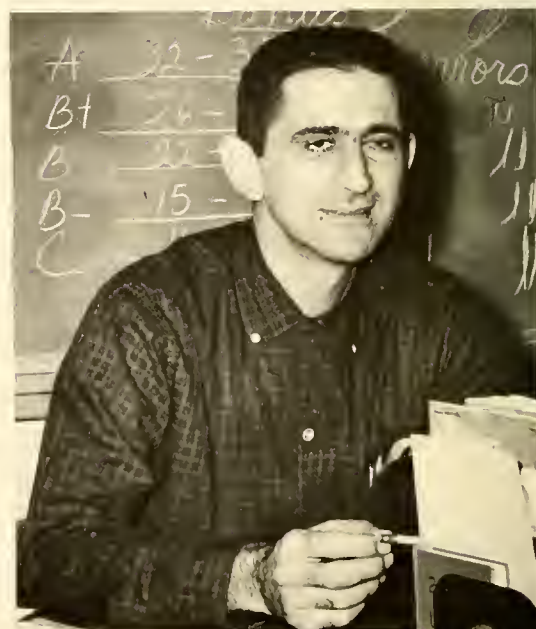

"Hey Mott, somebody just took our picture!"

Indescribable

"Oh really, Caroline!"

With a sardonic grin.

Just knew I'd have troubles with these false teeth.

This is what being annual advisor will do for you.

## Sophomore Class Officeres

Sophomores, new faces and light hearts, came into a fascinating world as they launched forth in a new life at Morehead High. This strange new place filled with unusual ideas and high hopes for the future was wonderful and exciting. The class officers worked hard to bring the class an exciting and eventful year and they look forward to their junior year. Class officers (left to right) *President* Bill Mitchell, *Vice President* Wayne Curry, *Secretary* Linda Weadon, *Treasurer* Beth Wright.

## "So sad, so fresh, the days that are no more." - Tennyson

Only one who has had experience in publications can possibly realize the vast amount of time and tedious work which is entailed in the composition of a high-school annual. The 1963 *Carillon* was compiled due to the combined efforts of a small group of people who gave so graciously of their time and knowledge. Without them, the task would have been insurmountable. Therefore, we wish to express as a small part of our gratitude

### A NOTE OF THANKS

To Mrs. Joan Citty, our advisor, who so often sacrificed her time, energy, and pleasures, in order to guide, and in so doing, found a place in our minds and hearts which can never be erased.

To Mr. and Mrs. R. R. Snow, who, in the last few weeks of preparation, surrendered their house and food so that we might work undisturbed and in comfort.

To Miss Atcheson, Miss Barker, Mr. Biggerstaff, and Mrs. Burchell, who, endowed with a rapid pen and immeasurable creativity, contributed so much and so beautifully.

To Reba Lumpkins, who relinquished her time and

energy to type the enormous amount of copy.

To Claude Gillie, of Gillie Photo, who took time to listen to our problems and advise.

To J. B. Edwards, of Hunter Publishing Company, who worked with us in the early stages and impressed upon us the importance of design and copy perfection.

To Sue Kelly and Peggy Lasley who found themselves practically living at the Snow's over the Thanksgiving holidays.

To Ellen Marlowe and her business staff, who gave their time and energy so that we might pay for our annual.

To the innumerable students who contributed their thoughts, ideas, skills, and time.

To all the teachers of Morehead High who relinquished their class time in order that the hundreds of pictures could be taken.

To all who made possible this 1963 *Carillon* by giving so unselfishly of their time, effort, and support . . . thank you on a job well done.

advertisements . . .

The future is paved with numerous pleasures and necessities, many of which would be scare and almost impossible without the businessmen of our community. The products and services available in the Tri-City area warrant our interest; in like manner, the businessmen who supply them deserve our hearty thanks for the part they took in bringing to you *The Carillon* for 1962-63. Their generosity has helped to record and to preserve precious and warm high school memories. We know that our future can only be brightened by the existence of our community's businessmen.

Rita,

Best of luck to a real sweet and pretty girl. I wish the very best for you in the coming future, and I hope our friendship continues through the years. But I wish you had of helped me more than you did in history, cause you know I really needed it! Don't forget our plans during the summer and be real real good!

Lots of luck!  
Carlette Patterson

Rita,

You have absolutely got more "get-up-and-go" than any one else I know. You are truly a wonderful girl with a wonderful personality.

Be good and don't be too mean this summer. I hope we can always be friends.

Love,  
Mary Jane

Rita,

Best wishes for the coming years to a real nice girl. We really had good times on the bus and at school. Remember this, I'm a jerk, you can't see me, but I'm here anyway.

Stay good  
Pam

## Autographs

Beamy,

Well, another year has just about gone by. We have withstood all the "troubles" that came our way. Although all of them weren't bad. We have really had some wild times this year haven't we! ~~be~~ All the rides down Bridge Street, the one double-date we managed to get, and just the usual goofy times we always seem to have. Remember that haunted house we visited, that was nice! Even if the car wouldn't start. Also remember the way you got the name Beamy: You are a truly wonderful friend. One of the best anyone could have. I'm proud to be a friend of such a gal. I hope we shall always continue to be friends. Don't forget that apartment & car we're going to have someday in Greensboro.

One of these days, if it's the last thing I do, I'm gonna buy you some Hush Puppies and a Pizza Pie and watch you eat them. O.K.?

Got to go now and do my home-work.

Bye, Bye

Binky

## Autographs

Rita,  
 Didn't mean to scare you  
 yesterday. O.K.? Well we're  
 finally gonna be seniors. Seems  
 like it was just yesterday that we  
 were playing on the "hill". Boy  
 what a time. Best of luck always!!  
 Sarah Crowder

Rita,  
 I certainly have  
 enjoyed having you as  
 a friend at "Dear Old  
 Mohead". Best wishes to  
 you in the future in  
 whatever you decide to do.  
 Your friend,  
 Margaret  
 P.S. Always remember  
 3rd Period!!! I  
 know I will.

Rita,

I have truly enjoyed being with "the pest of  
 the world" this year. We have really had fun  
 during 3rd Period haven't we. Remember our  
 little expedition to Edwards. I suppose we'll  
 look back and see that these were the good years.  
 Well, I am looking forward to leaving this  
 "prison". I hope to forget Mohead, but I'll never  
 forget a "pest" like you. Love Linda Roop  
 P.S. Mother, please, did rather do it myself.
